

U.S.-SAUDI SME FORUM ACCELERATING GROWTH AND INTERNATIONAL PARTNERSHIPS

JW MARRIOTT LOS ANGELES L.A. LIVE

OCTOBER
1ST-2ND 2018

SPONSORSHIP OPPORTUNITIES

Why Sponsor the U.S.-Saudi SME Forum?

- **Connect with SME ecosystem decision makers**, including U.S. and Saudi high-level government officials, entrepreneurs, thought leaders, and key stakeholders.
- **Be front and center** at the first major Forum focused solely on U.S. and Saudi SMEs and showcase your leadership in this innovative field.
- **Optimize your exposure** prior to and during the Forum through recognition in press releases, e-blasts, and social media, as well as top-tier brand placement during the two-day program.

Sponsorship Options

Sponsorship options include a tiered package of sponsor benefits (Platinum, Gold, and Silver), incorporating a suite of promotional opportunities, priority seating, official participation in the Forum program, and more.

NEW: Companies also have the option of sponsoring a portion of the Forum: Evening Networking Reception, Luncheon, and Refreshment Breaks.

SPONSORSHIP
OPPORTUNITIES

BOOTCAMP EXCLUSIVE - \$20,000

Two Spots Available: One U.S. and One Saudi

- Opportunity to provide topical experts and a case study relevant to the SME participants from their sector to analyze and develop solutions
- Leverage new ideas and insights to their challenges offered by SMEs
- Access to mature and growing SMEs looking to effectively expand their businesses and support large international clients
- Engage with pre-vetted SMEs in the marketplace for investment, collaboration, and procurement and to monitor their growth through the Council's network.
- Benefit of visibility and recognition for contribution to national and global efforts to build SME capacity
- Short-term SME progress summary report post event through the Council's follow-up initiatives
- Recognition in welcome remarks and end of DAY 1
- Company logo on website with company website link/mobile app
- Up to ten reserved spaces for sponsor recommended SMEs

BOOTCAMP at a Glance

- Intensive hands-on learning session on DAY 2: 9 am-1 pm
- **Description:** In-depth case study workshop with select Saudi and U.S. SMEs, who will collaborate in small groups to identify solutions for real-world, sector specific challenges presented by sponsors
- **Topics:**
 - ✓ Gaining Access to RFPs and Developing Winning Proposals
 - ✓ Marketing and Branding
- **Facilitators:** 1-2 industry subject matter experts
- **Participants:** 40-60 SMEs that have achieved certain business milestones, growing rapidly, and preparing to expand into the Saudi or U.S. market
- **Structure:** Participating SMEs will be grouped by sector to work on a case study challenge that is custom-tailored to the needs and industries represented to maximize relevance, learning, and impact
- **Supporting materials:** Participants will be provided with electronic copies of the toolkits that can be distributed and referenced within their organizations
- **Post-event follow-ups:** conducted with individual SMEs to better understand their evolving needs to continuously enhance future engagements
