SAUDI-US INVESTMENT FORUM

INTRODUCTION

The United States of America and the Kingdom of Saudi Arabia share a long-standing relationship built on mutual economic and strategic interests. As both nations look toward a future driven by innovation and sustainable growth, new opportunities for collaboration continue to emerge.

We are highlighting eight key sectors where the U.S. and Saudi Arabia can deepen their partnership for mutual benefit. From energy and AI to infrastructure development and financial services, these areas represent powerful avenues for enhanced cooperation and shared progress.
